The video player displays a news broadcast. In the top right corner of the video frame, the TLM logo is visible. The main subject is Dr. Thomas Sassard, a cardiac surgeon, wearing glasses and a green scrub top. Behind him, a computer monitor shows a blue-tinted anatomical diagram of a heart with the text 'Langage (cardiologie)'. A lower-third graphic identifies him as 'Dr Thomas Sassard, Chirurgien cardiaque'. Below this, a yellow navigation bar lists menu items: 'Le JT', 'Politique', 'Rendez-vous', 'Société', 'Sport', and 'Urgent'. A specific news item is highlighted: 'Municipales/Laurent Wauquiez à Lyon lundi pour soutenir Michel Havard'. The video player interface at the bottom shows a play button, a volume icon, a progress bar at 1:20 / 6:16, and icons for settings, a list, and full screen.
